Office of the District Attorney
Harris County

Dear Mr. Durfee:

Your predecessor has asked whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 26106.

The Harris County District Attorney (the "district attorney") received a request for the district attorney's file in cause number 620,931, in which Bruce Ceaser was charged by complaint on November 25, 1991, with the death of Ronnie E. Walker. You state that the district attorney will release items previously filed with the clerk of the criminal trial court. You claim that the remainder of the requested information is excepted from disclosure under sections 552.101, 552.103, and 552.108 of the Government Code. We have considered the exceptions you claimed and have reviewed the documents at issue.

You state that the district attorney does not have the requested medical records. We note that a governmental body is not required to obtain information not in its possession. Open Records Decision No. 558 (1990). Therefore, the district attorney need not respond to this part of the request.

Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." Gov't Code § 552.108; see *Holmes v. Morales*, 39 Tex. Sup. Ct. J. 781, 1996 WL 325601 (June 14, 1996). We note, however, that information normally found

on the front page of an offense report is generally considered public.¹ *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976); Open Records Decision No. 127 (1976). We conclude that, except for front page offense report information, section 552.108 of the Government Code excepts the requested records from required public disclosure. On the other hand, you may choose to release all or part of the information that is not otherwise confidential by law. Gov't Code § 552.007.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Stacy E. Sallee
Assistant Attorney General
